

# AUTUMN

## Notices

Thank you to all of the parents of April and September starters for their engagement with the telephone parental interviews. We know these are not the same as face to face meetings, but we hope they gave the opportunity to share the progress of the children and to share any concerns or questions. We will do January starter parental interviews in November—appointment times will be sent out soon.

Please remember to send your child to school with their slippers/ indoor shoes and to label all items of clothing.

Please remember parking and/ or driving on the school grounds is not allowed. Please park along Ennerdale Road and walk your child into school.

I would like to take this opportunity to say how much I appreciate you all wearing your face masks when collecting and dropping off your children, helping us keep the whole school community safe and healthy. Thank you.

If you need to speak to me about anything at all, please contact the school office.

Mrs Wilson  
Headteacher
