Nursery Closed

May Half-Term  
Week beg **Mon 31<sup>st</sup> May-**  
**Friday 4<sup>th</sup> June.**

School will reopen **Mon 7<sup>th</sup> June.**

Dear Parents & Carers

As we return for the Summer Term, I am pleased that we have the lovely weather to enjoy. We welcome our new children and their families who have joined our Nursery this term (in both the Rainbow Room, and the Nursery classroom). It has been lovely seeing the children excited to come to Nursery, as they settle in to their new classrooms and make lots of new friends.

This term is always very busy with lots going on in the classrooms, the attached newsletters will give you more information about the themes and topics we will cover this half term.

I know these are still unusual times, we are doing all we can to keep our Nursery school a happy and safe place, as always we value the support you give us in Nursery.

I look forward to another busy term full of fun and adventure, with plenty of opportunities for parents and families to be involved in the activities at Nursery as much as possible.

I am always available, if you have any questions please do not hesitate to contact me.

**Mrs L Wilson - Headteacher**

### Parent Interviews

During this half term we will hold parent interviews for children who are due to leave us in July 2021.

This will give an opportunity to discuss the progress your child is making with your Keyworker.

These interviews will take place by telephone call.

Appointment times will be sent out in the next few weeks.

### Website

Please make sure you regularly check our school website- there is a lot of information on the website to help you, as well as numerous photographs which we regularly update so that you can see how busy your children are.

If you feel there is anything missing or further information which would help you, please let us know. We are always looking for ways to improve the services we provide.

### Snack money for the Summer term...

Children are offered snack each session they come to Nursery. We provide a variety of healthy snack options and ensure there is a different choice each day. To help us provide this we ask for £1 per week. The costs are as follows...

£6 until half term

£12 until the end of term

Or £1 per week.

### Topic Newsletters

During this term, the children will be engaging in a variety of activities both inside and outside the classroom. We have some caterpillars in school at the moment. The children enjoy watching these animals build their cocoons and have the excitement of waiting for them to emerge as butterflies which we will then release into the Nursery garden.

Please remember to support your child's learning by letting the teachers know things your child is doing at home, so they can include this in their busy books.

Please read the newsletters attached which give you more detailed information.

### Safe play in the Sun

During the Summer Term we spend a lot of time in our Nursery garden doing a variety of activities. Hopefully we will continue to have sunny days to play outside. Could I please ask that you make sure your child comes to Nursery wearing sun cream (staff are not able to apply this in school) and suitable clothing which covers their arms- no vest tops please.

We provide sun caps in Nursery for the children to wear.

### Please remember to.....

- Label all uniform clearly
- Change your child into their sand shoes/ slippers before entering the classrooms
- Park along Ennerdale Road and not enter the school slip road/ staff car parks (*blue badge holders exempt*)
- Enquire at the office if you are interested in becoming a Parent Governor
