

THE COLOUR MONSTER

After half term, our first week back we are reading the story 'The Colour Monster' by Anna Llenas. We will be doing lots of activities about colour names, colour mixing and recognizing colours. Our role play area will be a 'Colour Den'. We shall be talking about keeping safe on Bonfire Night and making coloured jammy buns.

We shall be talking about feelings, exploring different feelings and making 'feeling jars'.

We will be busy making experiments with colours. We are making colours mix, watching what happens next...

We shall be singing the song 'I can sing a rainbow'. We will continue with our Phase 1 of letters and sounds work. We will be introducing our 'Phonic Freddie', the frog to our phonic group children.
